

**ASSEMBLY AMENDMENT 6,
TO 2009 SENATE BILL 185**

September 16, 2009 – Offered by Representatives HUEBSCH and RIPP.

1 At the locations indicated, amend the bill, as shown by senate substitute
2 amendment 2, as follows:

3 **1.** Page 11, line 22: after that line insert:

4 “1m. “Buildable residential site” means the part of a parcel, which is zoned for
5 residential use, in which a residence may be lawfully constructed or in which an
6 addition to an existing residence may be lawfully constructed.”.

7 **2.** Page 12, line 10: after “energy systems” insert “, and the rules shall specify
8 the minimum required distance between a wind energy system and residence and
9 between a wind energy system and the perimeter of a buildable residential site,
10 except that the rules shall allow the owner of a residence or buildable residential site
11 to waive, in writing, the minimum distance requirement”.

12 **3.** Page 12, line 12: delete “setback”.

1 **4.** Page 12, line 13: delete “distances,”.

2 (END)
